Sewer Agreement Waiver – Capacity Not Required

Date: September 15, 2011

**RE: Sewer Agreement Waiver
Tax Parcel No.: 06-100.00-086
Owner Name: Gary Staffieri & Adria Charles
Site Address: 1707 Concord Pike
Proposed Activity Type: Change of Use, “202 Auto Spa”
Reason for Waiver of Agreement: Existing retail to become auto detailing shop that will not be increasing sanitary sewer capacity. Only chemical detailing to be used and reclaimed, none of the product will go into the sanitary sewer no will there be any floor drains. Only pressure washing outside with no soaps for initial cleaning will take place, therefore not requiring a sewer agreement.**

The Department of Special Services has reviewed a plan for the above-referenced project and confirms that the project does not require sewer capacity.
